

Library Policies of the Mercer Public Library

XIX. Public Notice Bulletin Board Policy

Bulletin board materials may be submitted for posting by nonprofit and community organizations for civic, educational, or cultural purposes. Such organizations may submit literature publicizing a specific event. Limited space generally allows only short-term notices, and priority will be given first to the library and Friends of the Library announcements. Disallowed materials are those that do not fit into the library's role as a source of non-biased community information, including but not limited to: political material, petitions, and solicitations.

The Director must approve all postings and may prohibit postings that do not meet library standards. Library staff will place and remove postings promptly. The Library will not be responsible for returning materials unless prior arrangements are made.
